

Shri Chandra Logistics Pvt. Ltd.

We are the leading global providers of comprehensive providers Truck Cargo, Shipping Cargo, Forwarding Cargo Service and Clearing Services. These services are known promptness, efficiency, cost-effectiveness and timeliness.

About Us

Our organization, “**Shri Chandra Logistic Pvt. Ltd.**” is one of the prime global providers of **Cargo, Shipping, Forwarding and Clearing** services. These services are known for their promptness, efficiency, reliability, client-centric approach and competitive market prices. There is huge demand for these in both industrial and commercial sectors. Our team is professionally qualified and has extensive experience in this domain. The members are adept at taking care of their respective areas of expertise. We have an impressive management that comprises consultants, managers and managing directors. Our management has impressive experience and is capable of supervising the global nature of the business.

Furthermore, our company structure consists of individual branches that span across different cities and are capable of operating in an individual manner. The service delivery model followed by us comprises time-line specific deliveries, quick response, cost-effectiveness, enhanced support system and complete customer satisfaction. We also offer value added services and capitalize on the present day global nature of trade and commerce. Our service delivery model is constantly updated and modified for the benefit of the customers and bases its decisions on customers’ specifications. Furthermore, our customer relationship program strives to survey and take feedback on the level of client satisfaction and scope of improvement. We have massive storage facility to house goods in the middle of import and export processes.

This facility keeps the goods in a pristine state while the documentation is completed. Moreover, we are capable of offering customized packages and other consolidated packages for the benefit of individual clients.

CARGO & SHIPPING

Leveraging on our extensive experience, we bring forth **Cargo & Shipping**. These services are known for being a one-stop solution for all clients' goods transport needs. We offer these at cost-effective prices and strive to achieve optimum level of client satisfaction for Cargo & Shipping.
